

## **Internships at Fountainhead Health Resort**

I am offering internships for graduates and final year students in the following fields: Naturopathy, Chinese Naturel Therapies, Remedial Massage, Business Management, Marketing and sales. The period is for a two to four month commitment and is based on an 80 hour fortnight, covering most areas of the Health Retreat business including -

1. Housekeeping
2. Nutrition and Catering
3. Spa therapies
4. Hosting
5. Marketing/Internet specialisation
6. Management
7. Mind Body Connection

The purpose of this internship program is to help the industry to develop to a high standard of caring and healing.

The first period will cover time in each department with the key areas of interest being targeted fully over the second half of the program. The hosting team will be the group that the intern reports to in the first instance. Accommodation on site, board and bill contribution is payed for by Fountainhead Health Resort during the program. A stipend of \$100 per week is also payed to the intern, or if you don't need accommodation \$150 week.

For anyone interested in such internships please answer the following questions and provide to us the following information.
