From the minute you arrive at Fountainhead, you're stepping into one man's unique vision. Like a beacon on Maleny's hilltop, Wayne Parrott is a passionate host who has created a microcosm of his ideal world – organic, sustainable and commercially viable. Wayne's favourite saying is 'the bottom line of green is black' with Fountainhead featuring viable organic orchards and market gardens. If the nine platypus frolicking in the dam is any sign, nature likes Fountainhead too.

But it's Wayne's incredible sense of vision that attracts people from all walks of life to come and sit at his table, sup on organic granola and discuss fresh ideas and exciting possibilities. Whether you want a day spa experience, participate in Fountainhead's lifestyle courses, enjoy a farm tour or simply to come with your partner to relax, Fountainhead is a great choice to veg out (pardon the pun).

It's fun too – try the Cuban Fertility Cabin (Wayne's little joke) or perhaps the Starlight Cabin with its incredible stargazing roof that reveals the stars at the flick of a switch. This is an organic Disneyland of powerful dreams, big ideas and great fun.
